47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose my local ISP because they know me best. Their existence along with the national ISPs drives competition, which is good for a healthy free market. Your guided monopolization of the ISP industry is outright shameful, especially given your chairman's outwardly conservative views. Stop selling your constituency a bill of goods and get to work representing us. Foster a competitive market. Do your job.
